

Help Big Trees Village Be Fire-safe

Firewise Community Event /Annual Rec Center Work Day

You are invited to participate in the Big Trees Village Property Owners Association's 2018 Firewise Community event on **Saturday, May 12, at 10 a.m.**

Bring your rakes and work gloves to the Recreation Center. Join with neighbors to clean up our park for the summer and help protect the property and our homes from a fast-moving wildfire. The hours you donate contribute to our national designation as a "Firewise Community."

Sure it's work, but it's fun, too!

LUNCH WILL BE SERVED

We will need a head count so . . .

2018 Lot Inspections Coming Soon

Be ready to have your lot **inspected for fire prevention right after Memorial Day**. Our volunteers will be checking Big Trees Village property owners' efforts to clean up so we can report back to CAL FIRE.

If you plan to contract with a lot cleaning company, do so now as they book up early. Tell your contractor to give the Association your name, BTV street address, and lot/unit number. This way, we can mark our maps and your property will not be inspected.

A list of lot cleaning contractors can be found at bigtreesvillage.org.

Bin Rentals: Cal-Waste 209-795-1532

Burn Permits: Ebbetts Pass Fire Department or CAL FIRE; burn only on approved "burn days."

Become a volunteer lot inspector! It's a very minimal commitment of time; call 795-1971 for details.
